College High Elects S.A.C. Officers For 1960-61

Election of officers to head the Student Activities Committee at College High last week was characterized by political maneuvers and campaigning worthy of a Presidential election year.

Victorious candidates were junior Neil Myers, president; sophomore Herbie Smith, vice president; junior Susan Lones, secretary; sophomore Kay Myers, treasurer; and sophomore Dorothy Barbee, parliamentarian.

The officers will not assume leadership of SAC until next fall when classes resume. They were installed at an "inaugural ball" held Friday night in College High gymnasium.

From two to four candidates filed for each of the five offices. Full-fledged "electioneering" got under way Wednesday and gained momentum as the week progressed.

Each candidate with his political supporters vied with opponents in designing ingenious name cards, lapel pins and posters. Free candy and chewing gum were affixed to campaign "literature" of two candidates to encourage support at the polls.

Campaign workers broadcast short speeches over the school's intercommunications system during home room periods. One ambitious candidate employed an Army Jeep decorated with crepe paper and posters to further his cause.

Balloting took place Friday afternoon on an official voting machine loaned by Bowling Green Mayor R. D. Graham. Mr. Graham came to the school to in-

struct the students in the proper use of the machine.

Student Activity Committee functions include arranging chapel programs, planning social activities, and making recommendations on school relations. Mr. E. C. Garrett, social science teacher, is SAC sponsor.

Two representatives from each class from grades 7 through 12 will be elected when classes convene next fall to work with the newly-elected executive board.

Faculty members termed the election a "success." As one teacher pointed out, "The slight disruption of normal routine was offset by the enthusiastic response of the students to a wholesome project which put Democracy into action."

College High Students Visit State Capitol

Approximately 55 students of College High boarded a chartered bus at 4:30 a. m. on Thursday bound for Frankfort where they visited the Old Capitol and museum and had a guided tour of the new capitol. In the afternoon the group attended sessions of both the House of Representatives and the Senate. At this time, one of the class members, Kaye Myers, was given special recognition because her father, Rhodes Myers, was a former lieutenant governor of Kentucky and served as president of the Senate.

Making the trip were students of the economics and sociology and civics classes.

Mr. E. C. Garrett, social studies instructor at the school, accompanied the group.

The Senior Class
HAS VOTED
Kay Myers
The Best All-Round
Girl

Personality of the Week

Before beginning my column I would like to apologize to Kay for the delay in the write up. However she should have picked a more convenient time to be elected.

Elected? Elected what? Well, one of the many things, but I am talking about being elected Miss College High of 1961-1962. Kay has been a lobbyist here at College High since kindergarten and I guess that's how she swung the election. Ever since second grade (when I first came to C.H. however it started a few years before about August 12, 1944) I can remember hearing Kay talking up a storm and talking her way out of many things. She's talked her way into alot of things, too. Such as boys! But I guess she always will because boys are sorta a hobby of hers. Of course she has other hobbies too. Such as: dramatics, skiing, and swimming. She has a few pet peeves too. The first and worst is sarcastic people and next is pop quizzes. Hear that Mr. Cook? Kay has a bottomless pit in which she enjoys Russian Tea, pecan pie and steak (well done) and she loves the colors yellow, aqua and magenta. Kay has talked herself into a lot of honors, also she's the Senior class S.A.C. representative, Parliamentarian of the AGA, BAL Treasurer, President of one of the areas of Ky. for her youth group, Miss College High, Basketball attendant, and cheerleader. I know you all know who I'm talking about. But in case you don't her name is Rhodes Kay Myers. She is 5'6" tall with brown hair and black eyes. Her measurements are 36-24-36. but not in that order.

In making out her schedule Kay didn't talk very much because she ended up with a pretty full one. She's taking

1. Chemistry
2. World History (her favorite)
3. Honors (?) study hall
4. Ec. and Soc.
5. Speech
6. English IV Adv. Gov't.

Congratulations to Ty Tyler for being elected Mr. College High I didn't write up Ty because he was personality of the Week in the third edition of the paper.

Personalities of the Week

Kay Myers was born August 12, 1944, in Bowling Green, Ky. Her favorite foods are anything eatable and her favorite song is Theme from the Apartment. Kay's favorite cheer is "Fight, Fight, Fight, Cardinals, Cardinals". Her favorite color is rose pink and her hobbies are swimming, speech work. Her favorite subject in school is English and she wants to attend a girls school two years then Co-ed. Her ambition is to get her drivers license. She has brown eyes and brown hair. She has just been elected cheerleader. CONGRATULATIONS!

College High Cheerleaders front row Sue Carole Borders, Patty Griffin, back row, Sondra Covington, Rosanne Jones, Jane Leslie Parker and Kay Myers with the help of Mr. Baldwin of Baldwin's Bootery, have chosen ROBINETTES as the shoes to be worn for their cheerleading activities. They say, "If we can't have Robinette, we will cheer barefoot."

September 21, 1999

Dear Dad, David, & Will:

On this day, I thought it would be appropriate to share a quote that Katie gave to me;

"When you come to the edge of the light you know, and are about to step off into darkness of the unknown, faith is knowing one of two things will happen: there will be something solid to stand on or you will be taught to fly."

This morning I wear my elephant tie. I always wondered why Mom loved elephants - to me - the elephant represents a tower of strength with a compassionate heart. So she was.

Mom was angel who touched the spirits of all that she came in contact with. She has been called on to greater duties, not by choice, but by God's will. Her love and example are imprinted in our family soul. Like the flame in the church, she will shine forever. In the end, Mom taught each of us how to fly.

This morning star gazer lilies were placed on her grave. They remind me a lot of her personality; forward thinking, upbeat, with an unbridled passion for giving.

Today, we rejoice for her and the memories that we will forever hold dear to our hearts.

Love,

Rodes
